

A Message From Beach Transportation

PARENTS, PLEASE:

Have your students dress in appropriate clothing.

Get your students safely to and from the bus stop. Students should be at the stop no fewer than five minutes and no more than 10 minutes before the scheduled time.

Be with your students at the stop to monitor behavior and assist with safety. Have your students wait for the bus at a safe spot off the road and always watch traffic.

Have a backup plan in case the bus is delayed. Drivers will run routes as scheduled. However, delays may occur if snow plows are unable to keep the roads clear or difficulties arise. Please do not let your students remain at a stop for more than 15 minutes after scheduled time.

Please submit concerns about suspicious activity, wild animals, bus stop locations and so on in writing to your school.

DANGER ZONE:

SCHOOL BUSES ARE THE, SAFEST WAY TO GET TO SCHOOL.

School buses are nearly eight times safer than passenger vehicles, but children must take care when boarding or leaving the bus.

The Danger Zone is the space all around the school bus. It goes out 10 feet. The school bus driver can-not see students in this zone. It is very dangerous to be in this area.
