Carrots are this month's Harvest of the Month. Did you know...

- Carrots are in the vegetable food group.
- Today carrots come in many colors including purple, black, yellow, orange, red, and white and also range in size from a round 2-inch carrot to a slender 3-foot carrot!
- Baby-cut carrots are made from full-grown, thin carrots by peeling and cutting them to the desired size and shape. True baby carrots are harvested early and actually look like miniature carrots.
