Breakfast helps our students stay focused, have fewer nurse visits and fewer sick days. Breakfast is served at 7:50-8:30 in the Multipurpose Room. We have Grab & Go breakfasts for those late comers. Also, TR does a Second Chance Breakfast for the 4th-8th grades. In 2015 we implemented our Second Chance Breakfast after noticing several students coming into the MPR between classes for “just something” until lunch time. With the older students they either weren’t hungry at that time, social life was a priority or it just wasn’t “cool”. With the help and approval of our Administration & School Board TR opened up a little time for the older students to have an opportunity to come and get a Second Chance Breakfast. The numbers have been amazing...we went from 11,402 breakfasts in 2012-2013 to 37,506 breakfasts in 2018-2019. We no longer get the students coming in for “just something”. We love feeding the Tigers!
